

RIPPEN To Do

To - Do List

March 11, 2019

Important:

- ☒ Rekindle our friendship
- ☒ Flush out rest of this To-Do List
- ☐ Rusty *tackles* Methods section
- ☐ GJM works on simulations
- ☐ GJM works on Literature Review

Also Important, I guess:

- ☐ Make a fake season
 - ☐ Alter things to figure out weighted importance of variables.
- ☐ Season simulations for 2009-2019
- ☐ Game-level simulations for 2009-2019
- ☐ Over this time, who was the best QB?
- ☐ Best RIPPEN game ever, worst, etc.
- ☐ Pick subset of games/seasons to work on
- ☐ All players of 2018 season (bootstrapping)
- ☐ Certain number of passes for RIPPEN Champion

Paper Due Date: Midsummer's Nightmare
